Greetings,

This is a reminder that we are planning to meet tomorrow to discuss issues related to the use of the north section of the EaCa Alley.

Tuesday, December 11 at 9 a.m.

Thank you to all of you for agreeing to come – Dan and I thought it would be best if we had all the property owners together at one time, so that we can discuss how to move forward with a plan that respects all the needs of the owners in this section of the alley with respect to parking, access, trash removal, safety, noise, etc.

As you know, we started this discussion around the prospect of gating the alley, and that won't happen until there is agreement about the use of the alley in general. I hope this will be a constructive conversation.

Here is the address to the St. Anthony Medical Center and Dr. Anthony has graciously allowed us access to his conference room. If anything has changed and you are unable to attend, please let me know ASAP. Here is the address:

6368 Hollywood Blvd.

Come to reception area on 2nd floor.

Thank you – and I look forward to seeing you tomorrow. I'll also send out a calendar invite for those who prefer this.

Kerry
